### A NORWICH INQUIRY

Answered By the Statement Of a Norwich Resident.

When first the long series of reports of Norwich people who have been relieved by Doan's Kidney Pills were published in the local press, creat enthusiasm and interest were usmased. But Norwich is now inmiring "How are these people keepun today? How has the benefit they received withstood the test of time" For that, after all, is the ersential test M a cure. On this point doubt can no longer exist, for after many years bose who have been cured, emphatically declare their cures to be lasting.
